ORTHOtain[®]

A WORLD LEADER IN ORTHODONTIC APPLIANCES

➤ **EASY**

- Soft, comfortable, removable appliance
- Worn only 2 hours during the day: while driving, watching TV, working on the computer and while sleeping
- No one will know you are getting your teeth straightened

➤ **FAST**

- Start treatment immediately
- Most ortho problems corrected in 2 to 12 months
- Corrects orthodontic relapses

➤ **AFFORDABLE**

- Only one removable appliance needed
- Guaranteed against breakage under normal use. If lost, it can be replaced immediately
- Ask your dental professional about comparison fees

➤ **PROVEN**

- Over 2 million appliances used
- Developed by an orthodontist who served as a University Clinical Professor for 23 years
- Originator of adult treatment without braces
